

Policy on Scholarships and Freeships

Sibsagar Commerce College, Sivasagar

Introduction: SIBSAGAR COMMERCE COLLEGE is a premier institution of higher learning located in the Sibsagar. The college attracts a large number of students of the region including the remote villages and urban areas of Sivasagar. The college maintains a healthy students support and progressive mechanism. There is a provision for scholarship and freeships for students. The college takes concern and provides every possible help to the student for overall development in academic and all possible supports and assistance for scholarship and freeships of central and state governments. The management of the college ensures aid and guidance whenever necessary so that none of the students are deprived of admission and other academic facilities.

Students are apprised about such schemes through notifications. The college provides free admission to the economically backward students with the help of state government scholarship. The college provides financial supports to the meritorious students coming from economically weaker background. Financial supports from National sources under the UGC Ishan Uday scholarship are provided to the eligible and deserving students of our college.

The college identifies the needy and meritorious students to ensure to provide scholarship timely. Equally financial aids are provided to students who suffer from natural calamities, serious diseases etc.

Objective of Policy:

- To provide financial assistance to students under BPL category on merit basis.

Policy Design and Implementation: The College has designed a policy to grant scholarships and freeships under Students' Aid Fund at institutional level in every year. To avail the scholarships and freeships, the students are asked to apply for the same after notification from the college. The applications received from the students are scrutinized by a committee constituted by the Principal of the college. After scrutinizing all the applications, the committee decides to provide discount in

admission fees to student on merit basis from the economically weaker section category. Besides, the teachers also provide free textbooks and a certain amount to meritorious students at individual level.

Conclusion: The policy is a welfare measure adopted by the college to support and encourage the students of the BPL category. It will certainly boost up their moral and also made a positive impact on the teaching learning process in the college. The policy is a small step in realizing the vision and mission of the College.
